Welcome to Makel Designs

Makel Designs (MD) is a Toronto-based fashion, design and arts company. In our fashion house, we create, manufacture, and sell the majority of our products. Together, our mission is to bring creativity, diversity, and positive interaction to everything that we do.

We specialize in custom clothing, accessories, limited edition, ready-to-wear and one-of-a-kind collections. Our handmade items showcase quality details unduplicated on other pieces - even with items of the same product family. You can be dressed, from head to toe in MD and every piece will be a statement in its own right.

Through our exceptionally designed collections and interactive consultation model, we are a constant reflection of the new times. Not only are our products durable and versatile, but the creation process hinges on an inspiring consultation framework. With MD, our clients have significant creative control through opportunities and you choose from a wide selection of styles, fabrics, and detail options. Highly personalized service in an intimate and confidential environment, the design process and the finished product together promote your identity because each item is made to measure, according, to YOU.

We excel in providing the customization and exclusivity of everyday items, and our most significant successes are acquired through our method of doing business. We are available to you by appointment, flexible in scheduling around your needs. Our product catalog is accessible through our website (www.makeldesigns.com), our associate retailers, and over the phone. Combined with our seamless and timely product completion, we ensure a caliber of customization and design that exceeds expectations.
